General Meeting
Minutes of meeting

4	**President** – We had positive feedback from the VHRR from Winton FOS. Discussions with VHRR about improvements for 2027 (ie: fully sealed pit area, electricity etc, if we are to stay in that area) Thanks to everyone who helped out at FOS. Upcoming meeting at VHRR head quarters to start planning for the 2027 Phillip Island Classic. At this stage we will have only 1 grid. More info to come over the following months. Island Magic in November is the last race for the year. Could be telecast on Kayo this year. We need to organise some promotional photos of drivers and cars in the lead up. We need at least 15 cars to get our own grid. Garages will be available, need to find out numbers to let them know. The Bend The club truck and merch will be heading over for the event. At this stage there is 60 cars entered, with a even spread of under and over 2ltr cars. Group N extension draft is on the AHTCA website	dom

5	**Vice President** – VHRR meeting for Phillip Island classic 2027. Unpack the 2026 event. Went over all the Financial costs. Island not profitable, runs at about 30k – 60k loss. 500k to run the event. Looking to break even. Marques 30k loss. Model going forward, lower catergries to 10 from 14. 3 day event. 3x 20min race. $780 entry. $650 for garage. Rolling starts or standing starts up to us. No split grid. 40 cars. Driving standards raised. If we waste time it comes off our race time.	brett
